
MBEP094/The Dub Adventures - Last Chapter - DON ALDUCK

https://www.mareebass.fr/don-alduck

Don Alduck hatched out in 2010, then after two years spent travelling across India, he comes back to France in 2015 and restarts producing Dub and Bass Music with ethnical and Bollywood influences.

On the french label Marée Bass, he released its first album « Outbound journey » in 2018, followed by The Dub adventures, three albums from 2019 to 2022.

Take a chance to discover Don Alduck on stage with its live Dub and VJing set which will plunge you in a unique retro-pop-bollywood-cartoon

atmosphere.

In 2022, discover the third and last volume of The Dub adventures of Don Alduck « Last chapter », Electro Dub EP which tends to many dub boundaries, from the most classical roots dub style towards « la dub » styles and even close to vapor, Bass music and Hip Hop inspirations sometimes.

After this last musical journey, Don Alduck will retire from the dub scene at the honorable age of 12 years old.

Enjoy the trip inna duck-a-dub style !

Beautiful artwork by @LeNichoirCréatif : Big Thanks !
